

Atlantic Beef Products in Albany PEI is processing cull dairy and beef cows in addition to its regular line of finished beef animals.

ABP is interested in purchasing good quality dairy cows. **Greg Hardy**, cattle buyer for ABP, will be pleased to tell you about our competitive pricing, delivery dates and trucking options.

Greg can be reached on his cell phone at **902-432-4350** or at the plant **902-437-2727 extension 224** or by email ghardy@abpi.ca.

ABP is pleased to provide a local processing option for your animals.
