Dairy Farmers of Prince Edward Island

BOARD ORDER: 2014-05

EFFECTIVE: 01 December 2014

Under the *Natural Products Marketing Act*, R.S.P.E.I.1988, Cap. N-3, and the Dairy Farmers of Prince Edward Island Regulations thereunder, Dairy Farmers of Prince Edward Island makes the following Order:

RAW MILK PRODUCTION AND TRANSPORTATION ORDER
AMENDMENT

Application

1. This Order amends Section 14(18) of the Dairy Farmers of PEI Order 2012-02, effective the 1st day of August 2012.

Amendments

2. Section 14 of Dairy Farmers of PEI Order 2012-02 is amended as follows:

(a) Delete Section 14. (18).

(b) Insert the following:

14. (18). (a) All bulk loads of milk shall be tested for inhibitors by one of the following:

(i) The receiving dairy plant before the milk is unloaded; or

(ii) An external milk tester, contracted by the milk purchaser and approved by the Board, after the milk has been unloaded at the receiving plant.

(b) In the case where a transport vehicle has multiple storage compartments all compartments shall be tested.

(c) Any additional costs created as a result of accepting the milk before it has been tested as described in Section 14(18)(a)(ii), shall be the responsibility of the milk purchaser.

(c) Delete Section 14(36).

(d) Insert the following:

14. (36) It shall be the responsibility of the receiving dairy plant to:

(a) Examine the milk on the transport vehicle before transferring it to the dairy plant for flavour or odour abnormalities or the presence of foreign matter; and to ensure the temperature of the milk has not risen above 6°C before manufacturing, processing or mixing with other milk;

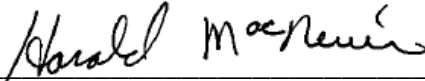

(b) Ensure the milk is tested for the presence of inhibitors or any evidence of other treatments as outlined in Section 14(18) of this Order; and

(c) Accept or reject the milk on the basis of the examinations and tests.

Commencement

3. This Order comes into force on the 1st day of December 2014.

DATED at Charlottetown, Prince Edward Island, this 26th day of November 2014.
